

FUND RAISING

I. POLICY STATEMENT:

Recognizing that certain school functions and programs need additional financial support, the School Board supports a limited amount of fund raising each year. Fund raising should be broad in scope (affecting large numbers of students) and never permitted for personal gain.

II. RATIONALE:

The purpose of fund raising should be limited to providing additional resources for a limited number of curricular and co-curricular programs. The administration shall develop procedures for organizing and approving fund raising activities (see Appendix).
