

## **PUBLIC SCHOOL SERVICES**

### **I. PHILOSOPHY:**

The St. Johnsbury School District recognizes that there are private school services within the community. The district will encourage cooperation between employees in the public and private sector.

### **II. POLICY:**

It will be the policy of the St. Johnsbury School District to cooperate with any private and/or public school in the immediate area. This cooperation shall include, but not be limited to:

- a. If space permits; classroom gymnasium, ancillary spaces and athletic fields will be made available at a rate consistent with the Facility Rental Policy.
- b. If the administration and the teacher/instructor/leader of the activity are in agreement, then classes, special activities, field trips, and extracurricular offerings will be made available on a per student/cost basis. The aforementioned offerings shall exclude courses/classes mandated by state regulation. Cost shall be figured by dividing total program cost by the maximum number of students that may participate. Arrangements must be made at least thirty (30) days in advance. If space is restricted, St. Johnsbury residents shall have preference.

Any conflicts that arise pursuant to this policy shall be resolved by the Superintendent of Schools, whose decision shall be final.
