

STUDENT RIGHTS

I. POLICY STATEMENT:

The St. Johnsbury School District recognizes the legal rights and responsibilities of each student with regard to a free and appropriate public education. It also recognizes that the student has the right to a school environment in which each student receives equal respect in every matter from admission to discipline procedures.

II. RATIONALE:

The rights of the student are the rights of the citizen. The age of the student determines how the rights are protected.
